### Bill Summary

A Joint Resolution to create a committee to examine the license fee that is charged for the issuance of a liquor license for the Sunday sale of alcoholic beverages.

### REVENUE IMPACT <sup>1/</sup>

This Joint Resolution would have no impact on state or local revenues in FY 2007-08.

### Explanation

This Joint Resolution creates a study committee charged to make a report to the General Assembly no later than April 15, 2007 on more affordable means for certain smaller establishments to be licensed for alcoholic beverage sales on Sunday.

Since the resolution does not alter the current fee schedule to sell alcoholic beverages on Sunday, it would have no impact on state or local revenues in FY 2007-08.
